Below are instructions for RCB Bank's Text Banking.

Text **BAL** to receive balances on all enrolled accounts.

Text **BAL** + last 4 digits of account to view specific account balance.

Example: BAL 1111

Text **HIST** to receive last 5 transactions on all enrolled accounts.

Text **HIST** + last 4 digits of account to view specific account transactions.

Example: HIST 1111

To transfer money between accounts:

Text **XFER** + last 4 digits of sending acct. + last 4 digits of receiving acct. + amount.

Example: XFER 1111 2222 40.00

1111 = last 4 digits of sending acct.

2222 = last 4 digits of receiving acct.

40.00 = transferring \$40.00 (always use a decimal when transferring money.)

*To transfer money between accounts, both accounts must be enrolled in Text Banking. To enroll another account, please log in to the RCB Bank app and select Text Banking. For non-smart phone users, please contact us at 855-226-5722 or visit any of our RCB Bank locations.
