

Cancelling a Recurring ACH

Click on Services and then Online Activity.
Click Recurring Transactions

Online Activity

Single Transactions

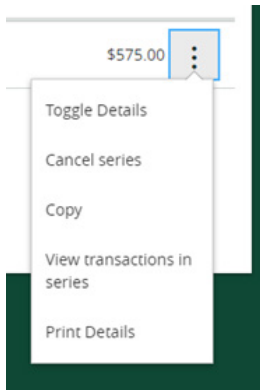

Recurring Transactions

Locate recurring file that needs cancelled.

Created date	Status	Transaction Type	Account	Amount
10/30/2023	Authorized	ACH Batch		\$575.00

Click the three dots and click cancel series.*

Once cancelled, a new recurring ACH can be setup if corrections needed to be made.

*To edit a recurring transaction, you have to cancel the current ACH and create a new ACH.

Once cancelled, you can click the three dots, select copy and make the changes. Then, set your schedule back up for the recurring.
